WORKSHOP

24.-26.06.

Entanglements of (Il)legality & Violence

Drug Trafficking and Drug Policies in the Americas

Convenors

Philipp Wolfesberger
Bielefeld University

Nelson Camilo Forero Medina
Bielefeld University

How are regional dynamics and local responses embedded in controversial contexts of prohibition and legalization in the Americas?

The current momentum of cannabis regulation in Germany connects to the findings of InterAmerican experiences.

The workshop discussions by international experts are open to the general public, activist engagement, institutional work, and students.
