

# Name: DEUMENI MOUGOUE Ruphin Claude

Department of Biological Sciences  
The University of Maroua-Cameroon  
Complete address: PBox 814 Maroua-Cameroon  
Telephone: +237 696329957 / +237 654851450  
E-mail address: ndemoruc@yahoo.fr

## Education

2014-2016 MASTER in Animal Biology, University of Dschang-Cameroon

2008-2011 Bachelor in Animal Biology, University of Dschang-Cameroon

## Research Experience

Techniques for evaluating the antibacterial and antidiarrheal activity of plants extractions.

## Peer-Reviewed Publications

Antidiarrhoeal and antibacterial activities of aqueous and methanolic *Alchornea laxiflora* (Euphorbiaceae) leaves extracts in rats (2017). **Journal of Medicinal Plants Studies 5(1): 205-211**

## Conference Presentations

-Cameroon Biosciences Society. Nov 29-3 December 2016, University des Montagnes, Bangangté-Cameroon. Antidiarrhoeal activity of Methanolic *Alchornea laxiflora* (Euphorbiaceae) leaves extract in rats. Poster presentation.

-Cameroon Forum for Biological Sciences (CAFOBIOS). August 04-06, 2016, University of Dschang Cameroon. Antidiarrhoeal activity of aqueous *Alchornea laxiflora* (Euphorbiaceae) leaves extract in rats. Poster presentation.

-*Journée scientifique de la faculté de Sciences de l'université de Maroua* April 2021. Antidiarrhoeal activities of aqueous and ethonolic *Rumex bequaertii* leaves extracts in rats. Oral Presentation.

## Teaching Experience

September 2014- June 2021 : Biology, Teaching. GBHS Nguouang-Cameroon
