

CV

KENEMBENI KAMERU Marie

Yaoundé, Cameroon

Phone : +237 6 71 37 47 51

Email : kenembenikamerumarie@gmail.com

Personal Profile

I am very interested in contributing to the field of Organic Chemistry by deeply understanding the biological functions of natural products and their pharmacological applications.

Career Objective

Be an expert in the plant-based therapy of respiratory diseases (such as pneumonia), contribute to the well-being of Cameroonian populations and to the sustainable development of Cameroon.

Research Experience

Enhance my technical skills and gain some laboratory experience: RMN, UV, IR, MS, Extraction, isolation and characterization of compound from medicinal plants,

Education

01/02/2022	Full-time fellow at the YaBiNaPa SDG Graduate School
11/09/2021	1 st PhD year in Organic Chemistry – The University of Yaoundé I
07/2018-02/2020	Master of Science (MSc.) in Organic Chemistry – The University of Yaoundé I (GPA: 3.44/4) Thesis title: Isolation and Characterization of Secondary Metabolites from Stem Bark of <i>Ficus macrosperma</i> (Moraceae)
2015-2017	Bachelor of Science (BSc.) in Organic Chemistry – The University of Yaoundé I (GPA: 2.55/4)

Skills

Language	French: Excellent written and oral communication skills English: Good written and good oral communication skills
Computer skills	<i>MS Office:</i> Word, Excel, Access PowerPoint; <i>Chemical drawing tools:</i> Chemdraw & Isis Draw; <i>Other software:</i> Mestrenova.

Interests

Programming	I took programming online courses.
