

Curriculum vitae

Prof. Dr. Odile Sauzet

Address School of Public health
AG 3: Epidemiologie und International Public Health
and
Statistik-Beratungs-Centrum, Statistics and Data Analysis Group
Fakultät für Wirtschaftswissenschaften
Universität Bielefeld
33615 Bielefeld

Tel. 00 49 521-1064336/4876

E-Mail odile.sauzet@uni-bielefeld.de

Employment

Since Mai 2016 Head of the statistical consulting unit (StatBeCe), Bielefeld University

Since Oct. 2011 Research Fellow, School of Public Health, Bielefeld University

2010–11 Maternity leave

2009–11 Medical statistics, Public Health Sciences and Medical Statistics (PHSMS),
School of Medicine, University of Southampton

2007–08 Maternity leave

2001–08 Mathematics teacher at Lycée Français Charles de Gaulle, London, and at
Lycée Français, Düsseldorf

1999–2001 Marie-Curie Fellow, Department of Pure Mathematics and Mathematical
Statistics (DPMMS), University of Cambridge. Number theory

1997–99 Postdoc, Nottingham University, Université Boedeaux I

Education

2017 Habilitation in Public Health (Bielefeld University)

2008–09 MSc Statistics with Applications in Medicine, University of Southamp-
ton *with distinction*. Engineering and Physical Sciences Research Council
(EPSRC) grant. Dissertation: Finding Bayesian optimal designs by inho-
mogeneous Markov chains.

1994–97 Doctorat in pure mathematics, Université Bordeaux I. Pro-*l*-extensions de
corps de nombres.

1988–94 Undergraduate studies pure mathematics, Université Paris XI - Classes
préparatoires aux grandes écoles

Grants – Stipends

2020 Leibniz ScienceCampus SOEP RegioHub at Bielefeld University. PI Sub-
project 1: Regional infrastructures, living conditions and perceptions of
inequality

- 2020 Sub-Saharan African Network for TB/HIV research Excellence (SANTHE): Piloting self-testing for Sexual and Reproductive Health in young people (co-PI, PI: Lucy Mupfumi, Botswana-Harvard AIDS Institute Partnership for HIV Research and Education in collaboration with LSHTM)
- 2019 DFG Forschungsgruppe PH-LENS (Refugee migration to Germany: a magnifying glass for broader public health challenges (PH-LENS)): Teilprojekt "Identifying, conceptualising, and modelling micro-area factors with effects on the health of vulnerable populations" (DEPRIV) (36 Monaten, with O. Razum, Universität Bielefeld)
- 2017 Forschungsschwerpunkt Mathematische Modellierung (FSPM²), Universität Bielefeld: Dichotomisation of continuous variables Further development of a R package
- 2016 DFG-Sachmittelbeihilfe: From urban neighbourhood heterogeneities to health inequalities: social mechanisms, environmental exposures and their interactions (36 months with O. Razum)
- 2016 Forschungsschwerpunkt Mathematische Modellierung (FSPM²), Universität Bielefeld: Dichotomisation of continuous variables Further development of a R package
- 2016 Zentrum für interdisziplinäre Forschung (ZiF), Bielefeld: Workshop "How do contextual effects contribute to the production of health inequalities? Sociological mechanisms and epidemiological exposures" (mit B. Chaix, M. Fauser, O. Razum, R. Schunck)
- 2015 FSPM², Universität Bielefeld: Dichotomisation and longitudinal responder analysis
- 2014 FSPM²: Dichotomisation of continuous variables Further development of a R package
- 2013 ZiF Workshop: Defining neighbourhoods to measure contextual effects on inequalities: large or small? Pre-defined or self-defined? (mit B. Chaix, M. Fauser, O. Razum, R. Schunck)
- 2013 FSPM²: Literaturoberprüfung zur Abschätzung potentieller Mängel der statistischen Analyse randomisierter, kontrollierter Studien mit Messwiederholung
- 2008 Masterstipendium, EPSRC, UK (University of Southampton, 2008-2009)
- 1999 Marie-Curie Fellowship, EU (University of Cambridge, UK, 1999-2001)
- 1994 Bourse de recherche du Ministère de l'Enseignement et de la Recherche (Doktorandenstipendium, Université Bordeaux I, 1994-1997).
